

BAR OPTIONS

The Morrow Center provides “service only” bars where we provide everything that you need for your bar, and you provide your own alcohol. The bar package is \$500.00 per bar for every 100 guests in attendance.

All bars include the following items:

- Bartender- 3 Hour Open Bar (\$25.00 for each additional hour, per bartender)
- 1 Bar Package is required for every 100 adults in attendance. An additional bartender will be required for any event over 120 people.
- Necessary bar equipment that includes napkins, disposable cups, ice, mixers (soft drinks and bottled water not included), linens, display tubs and bar tools.
- Morrow City Police Officer
- NO CASH BARS ARE ALLOWED (State/City Ordinance)

Glassware Rental: Always optional and price varies based on types of glassware needed.

ALL alcohol must be served by our bartenders from behind our bar. Beer, wine or alcohol cannot be set out on the guest tables or served family style due to insurance considerations. If a bottle of alcohol is brought into the Morrow Center by a guest, it must be checked in at the bar - where a bartender will gladly serve your bottle.
